

LEADERSHIP LODI
CHAMBER OF COMMERCE

2012 Class Application

Sponsored by the Lodi District Chamber of Commerce

Purpose of Leadership Lodi

Since its beginning in 1990, Leadership Lodi has been designed to inspire and motivate Lodi area citizens to achieve higher levels of leadership responsibility. The ten-month program provides participants with the necessary information to understand the complexities of the Lodi community. In addition, the program will provide students with the opportunity to meet and exchange ideas with current community leaders. Participants will discuss, explore, and learn about topics such as leadership dynamics, government, education, law, agribusiness, economic development, health, and the arts.

Who Should Apply?

Leadership Lodi applicants should be seeking to enhance their leadership potential, increase their knowledge of the community, and be willing to commit their individual talents for future years for the betterment of the community of Lodi. Graduates of the program include individuals from a wide cross-section of the Lodi community, including representatives from both large and small businesses.

Commitment

Participants attend ten full-day class sessions held on the second Tuesday of each month. Additionally, class members must participate in the class project selected at a mandatory two-day retreat (the fourth weekend of March), and attend three community meetings. In order to graduate from the program, no more than two class days may be missed and “made up”. Partial day attendance counts as an absence.
